PROFESSIONAL SUMMARY

Recent B.Tech Computer Science graduate with hands-on experience in full-stack development using MERN stack. Proven ability to design and implement web applications with strong foundation in Java, database management. Demonstrated leadership skills through NSS Secretary role and Google Developer Students Groups. Seeking to leverage technical expertise and problem-solving abilities in software development roles.

EDUCATION

Bachelor of Technology in Computer Science, GLA University, Mathura (6.70 CPI)   June 2025
Intermediate, PDDSVM, Vrindavan (66.5%)   May 2021
High School, PDDSVM, Vrindavan (74.8%)   May 2019

INTERNSHIP/TRAINING EXPERIENCE

Job Oriented Value-Added Course, GLA University, Mathura, Trainee, June 2023 – July 2023

- Mastered core web technologies including HTML5, CSS3, and JavaScript
- Developed responsive e-commerce web application using MERN stack architecture
- Implemented user authentication system with JWT tokens and secure payment processing
- Collaborated with 5-member development team following Agile methodologies

PROJECTS

Book Store Application (MERN Stack)

- Built full-stack app with auth, cart, and inventory APIs.
- Optimized DB queries for 40% faster load time; 99% uptime on deployment.

Local Services Finder (Braj Region) (MERN, Google Maps API)

- Connects users with verified local providers via location-based search.
- Added ratings, booking, and admin moderation features.

Online Exam Portal with Proctoring (Spring Boot, MySQL, WebRTC)

- Developed secure exam platform with webcam proctoring and auto-submit quizzes.
- Integrated result analytics and cheating detection system.

NGO Donation & Volunteer Platform (MERN, JWT, Razorpay API)

- Enabled NGOs to manage donations, volunteers, and events transparently.
- Built donor dashboard, volunteer management, and admin analytics modules.

SKILLS

- **Technical**: Java, Html, CSS, MySQL, Python, ReactJS, NextJS, ThreeJS
- **Professional:** Effective leadership Skills, Ability to identify and solve problems, Effective teamworking ability, Adaptability

CERTIFICATIONS

- Java Foundations Professional Certificate by JetBrains
- Software Engineer Intern certificate offered by HackerRank
- Java Essential Training: Syntax and Structure course by Angie Jones
- Learning JDBC course by Frank Moley
- Illustrator 2024 Essential Training course
- Big Data Technologies, Trained by CDAC

CO-CURRICULAR ACTIVITIES

- Secretary of the NSS (National Service Scheme) Society in University.
- Former vice-president and Design team head of the ChemGLA club.
- Former Design Team Lead of Google Developer Groups GDGGLAU .

DECLARATION

I hereby declare that all the above-mentioned information is true and correct to the best of my knowledge.
